Fusion Cell is a primarily **Veteran-Operated** small business that specializes in providing world-class talent and staffing solutions for prime contractors, vendors, and federal, state, and local agencies.

Founded in 2019, we are capable of sourcing and staffing hundreds of **highly-qualified military veterans across technical, professional, and administrative specialties** for contracts and organizations world-wide.

We simultaneously bolster your ability to meet diversity goals and promote equal-opportunity employment. We take pride in our commitment to being the **best quality staffing partner**, getting as close to a 1:1 candidate-to-hire ratio as possible.

DIFFERENTIATORS

- **BEST IN CLASS:** Over 90% retention rate - candidates placed since 2019 are still working where we placed them.
- **PERPETUALLY PREFERRED:** As a result of our successful and value-added partnerships, more than 82% of our revenue comes from repeat business.
- **VETERAN & STAFFING EXPERTISE:** Comprised of over 75% military veterans and 25% staffing industry experts, our team has a deep understanding of government services and processes and targeted knowledge from industry specialists.
- **SKILLED MILITARY OCCUPATION TRANSLATORS** - We understand Military Specialties and Occupational Codes in order to find the best quality veteran talent that aligns with your staffing needs.
- **PURPOSE AND PASSION:** Fusion Cell is as invested in our candidates and serving the military veteran and military-connected community as we are in our client's success.
- **PREFERRED PARTNER** - for mid-tier to Fortune 500 corporate clients, large prime contractors, government agencies, and small business clients.
- **SKILLED CONTINGENCY/DEPLOYMENT MANAGEMENT:** We build quality teams that meet clearance criteria, qualified through processes such as Mod17, on short notice to meet contract requirements.
